Description

Continuing rapid bank erosion from the Iowa River is threatening to destroy the historic Pow-Wow Grounds, which are part of the original 80-acre settlement purchased by the Sac & Fox Tribe in 1857. This area has great historic, cultural, and social significance to the Tribe and is used for Tribal ceremonies throughout the year. The opportunity exists to stabilize the bank and protect the Pow-wow Grounds from further erosion. The Sac & Fox Tribe is the non-Federal sponsor for the project. A letter requesting Corps of Engineers assistance was provided in August 2000. Coordination with the Tribe will continue throughout the project period.
